The student or spouse, or one of the student's parents who is a **member of the student's household paid child support** in 2015. I have indicated below the name of the person who paid the child support, the name of the person to whom the child support was paid, the names of the children for whom child support was paid, and the total annual amount of child support that was paid in 2015 for each child. If asked by my school, I will provide documentation of the payment of child support. *(If you need more space, attach a separate page that includes your name and SSN at the top.)* **Child support paid should only be listed for a child who is not listed as a member of the student's household on the FAFSA. If the child for whom child support was paid was listed as a member of the student's household, the FAFSA needs to be corrected to remove this child from inclusion in the household number.**
